AWARE_LEGACY — _Trust / Legacy_

Hooks

- 30 years in one shop. Same hands. Same standard.
- Most local shops send their hard jobs here. Here's why.
- Springfield's been bringing us their cars since 1995.
- ASE-certified. Tesla-capable. Old-school discipline.
- Watch what 30 years of practice looks like.

Recommended combo

- **Headline:** 30+ Years. One Shop.
- **Primary text:** Three decades in the same Springfield shop. ASE-certified technicians, Tesla-capable, and the only place around Eugene where the work outlives the paint job. Precision craftsmanship — every car, every time.

LEADS_LUXCOS_TRANSFORM — _Before/After Transformation_

Hooks

- This Porsche came in dull. Watch the gloss.
- 14 hours of ceramic. One angle, two cars.

- Before. After. The same Tesla.
- Eugene's nicest cars get their finish here.
- PPF that stays invisible. Until the rock hits.

Recommended combo

- **Headline:** Send Photos. Get a Quote.
- **Primary text:** Swipe to see what 14 hours of ceramic looks like on a Porsche 911 — taken in by Blue Rose last week. ASE-certified detailing crew, premium-tier ceramic, a finish that comes from hand-applied work, not assembly-line speed. Send us your vehicle photos for a free quote.

LEADS_TESLAEV_WHITESPACE — _Specialist / Whitespace_

Hooks

- Your Tesla deserves better than the dealer wait.
- Tesla paint is thinner than you think. Here's how we protect it.
- We've serviced more Teslas in Springfield than anyone.
- Diagnostics, ceramic, PPF — one Tesla-capable shop in Eugene.
- Stop driving to Portland for Tesla service.

Recommended combo

- **Headline:** Tesla-Capable. Springfield.
- **Primary text:** Tesla service shouldn't mean a 2-week dealer wait. Blue Rose has been Tesla-capable since the Model S launched — diagnostics, paint protection film, ceramic coating, suspension. ASE-certified, Springfield-based, 30+ years on every kind of vehicle. Book a slot below.
